# SHOWER SCREEN & TILE CLEANER

## Sanitising Cleaner for Bathrooms And Tiled Areas

PROFESSIONAL TILING RANGE

### Description:

*A sanitising cleaner for shower screens and trays, tiles, taps, shower heads, baths and basins. Can be used on bathrooms, mirrors and prevents misting. Removes soap scum and hard water build-up. It will leave surfaces bright and shining. When dried, leaves an invisible barrier which deters further soiling.*

### Benefits:

- ◆ Cleans glass and tiles.
- ◆ Prevents water marks.
- ◆ Prevents and removes limescale.
- ◆ Reduces soap scum and hard water build up.
- ◆ Cleans soap scum from soiled showers.
- ◆ Solvent-free plus zero VOC's.
- ◆ Neutral pH - safe on most surfaces.

### Uses

Suitable for use on all types of wall tiles, including natural stones and polished marble and for use on bathroom mirrors, where it will prevent misting up. It can also be used to clean taps and shower heads, baths and shower bases. Tile and Screen Cleaner dries to leave an invisible polymer barrier to prevent future soiling and minimises hazing.

### Application

Ensuring complete coverage, simply spray on to the surface to be cleaned, walk away and leave to dry. No need to rub or scrub. Regular use will remove any build-up over a period of approximately 2 weeks.

### Container Size

1L plastic spray bottles.

### Colour

Clear liquid.

### Shelf Life

12 months from date of manufacture when stored in sealed bottles.

### Storage Conditions

Store in cool, dry conditions in a sealed container. Protect from frost, high temperature and direct sunlight.

### Disposal of Containers

Do not leave empty containers where residue could be harmful to children, animals or the environment. Containers can be recycled.

### Health & Safety

Please refer to separate material safety data sheet for full handling, use and storage instructions. Keep out of reach of children. It is the users responsibility to determine suitability for use. If in doubt contact our Technical Department for advice.

**Note: this information is for general guidance only, since site conditions and labour are beyond our control. It is recommended that users make their own tests to determine suitability.**

## Specification Summary

Flammability	Non-flammable
Colour	Clear foaming liquid
pH	7-8
Solubility In Water:	Soluble
Composition	Surfactant blend
